'KTM 950 Adventure Wikipedia

November 18th, 2019 - KTM LC8 Engine By

August 1998 the decision was made to go

with a 75 degree V twin design but with

special emphasis on light weight and

especially compact build To do so KTM

decided to assume the entire R amp D

process themselves in house and hired

Claus Holweg as Project Manager from their

Austrian rivals Rotax'

'KTM 990 LC8 reliability issues

Adventure Rider

November 14th, 2011 - KTM has a super

reliable engine in the LC8 Change the oil

Motorex and filters KTM when called for

by the manuel You will not need the

valves shimmed until 60 000 plus miles
The piston rings will go 150 000 plus
miles Take good care of this engine and
it will really last a very long time'

'Notes on the LC8 engine Adventure
Rider

June 29th, 2001 - Hidden deep in KTM s
site The new KTM LC8 Engine
Mattighofen 7 september 2000 The
starting point was clear KTM s
philosophy states where the letters KTM
are printed on the outside KTM should
also be the inside which meant that the
next generation should revolve around a
KTM own produced engine'
