### **'12 things that make cats go crazy animal wised**

May 24th, 2020 - cats are silent by nature except during their heat period and the moments in which they try to municate with humans they rarely emit a single noise even when walking perhaps that is why they are so irritated by loud strong and insistent sounds which makes cats go crazy especially if they hear them suddenly as they immediately turn to a state of alert that indicates they may be in danger '

on and take our audience very  
seriously'

'crazy about cats by owen davey  
goodreads

May 17th, 2020 - crazy about cats is a  
children s nonfiction about big cats  
the illustrations were stylized rather  
than highly realistic however they  
showed the unique characteristics of  
the different types of cats lions  
pumas etc so it was still easy to  
identify the cats'
